CAR CARE PRODUCTS

ABOUT US

Welcome to SGCB auto care company where you can find the best auto detailing products in the world. SGCB designs and develops products independently and only cooperates with reliable suppliers from different countries, so that we can provide our customers with the highest quality products.

SGCB was founded in 2010.

Our founder, Dave Chung has over 20 years of auto detailing work experience. He hopes to use SMART thought to GUIDE the CAR DETAILING industry benchmark. So the name of SGCB was born from this beautiful vision. Dave insists on producing high quality products and SGCB will try the best to provide our customers relative technology support and the best customer service.

SGCB was focusing on the Chinese market (Taiwan and Mainland China) initially, and then established a branch in Malaysia in 2013 after the brand of SGCB was established successfully. And then SGCB expanded to the global market in 2016.

In 2017, SGCB established a branch in San Francisco, California, USA. And now, SGCB is a global brand of the auto detailing industry.
